— This role is not ideal

for someone who...

❌ is not comfortable to be available during odd hours / at night for support

❌ have not worked on multiple **backend applications independently.**

❌ Is not self-motivated to keep up with the **rapidly evolving Frontend ecosystem**

❌ Is not comfortable with long **working hours i.e. 10 - 12 hours daily**

❌ Is not comfortable working **5 days** a week from **office** in **Delhi**

Ditch what you're not into. Never settle for less!

100% Work from Office

5 Days a week

work hours

9:30 till Work Gets Over

You should expect 10-12 hours work in a day!

We are fast-growing startup & building something valuable takes time. We understand that some aspects of this role are demanding, and we strive to make our office a place where you feel supported, valued

We are an ideal workplace
For Team Players

If you just want to

- share problems
- stick to status quo
- question long hours
- do bare minimum
- look for quick wins

✕ You May Not Be Happy At Work

You will thrive, if you

- ✓ solve problems
- ✓ improve processes
- ✓ focus on output
- ✓ make customer smile
- ✓ build lasting value
